

See your art on Everyone's Shirt! – OSCF T-Shirt Design Competition!

OSCF is holding a contest to design the t-shirts for this year's State Championship Competition. The winning design for the "Seaside T-Shirt" will win a free registration to the main tournament, \$75, and a free State Championship Shirt. The runner-up design will be used on the cover of the Championship program and the runner-up will be given one free registration for the Saturday competition. Other designs may be featured in the inner pages of the program as well.

Parents or adults affiliated with tournament attendees may submit designs, but preference for designs will be given to NSWRS-rated players and their siblings (and the award remains the same)! All entries will become property of OSCF and will not be returned.

The design must contain the phrases "10th Annual OSCF State Chess Championship" or (if the chess theme is obvious) "10th Annual OSCF State Championship", "April 24-25, 2015", and "Seaside, Oregon". There is no limit on colors for submissions, although the final t-shirt design may be limited in production and altered as necessary for t-shirt production. Shirts will be produced on demand, on site, and on the customer's choice of shirt color. We are pretty flexible with file formats (but not infinitely flexible).

All submissions must be submitted either by dropping them with an OSCF representative at an OSCF qualifying tournament, or electronically as an email attachment, along with this application, to oscfchess2011@gmail.com.

Deadline: Noon on March 10, 2015.
