

## Bughouse Information

**Turn in your Bughouse Team Check-In Form no later than 6:00pm.**

Where do you get one? Print the one we emailed you, or pick one up from the foyer of the Seaside Convention Center.

Where do you turn it in? Once *completely* filled-out, drop your form in a BUGHOUSE BOX at the Blitz & Bughouse Sign-In Table.

Why? You will not be paired if your name is not on a form with a partner.

**Return at 6:45pm for Crazy Hat & Best Team Name Contest.**

Bring or go purchase your favorite crazy hat creation. Make it a doozy!

**We plan to post pairings at 7pm!**

Initial Bughouse Pairings will be posted by each player's last name and it will show that player's team name and the corresponding *letter* for the Bughouse group that each player is assigned to. The Bughouse pairing groups will be A – Z (then AA – ZZ, as needed). Once you find your name and your group *letter*, go sit at the boards with that same *letter*. Until pairings are ready to be posted, the Crazy Hat contest and Team Name Contest will take place.

**Looking for a Bughouse Partner?**

If you need a Bughouse partner, come to the FIND A PARTNER BOARD located next to the Blitz & Bughouse Check-In Table. Buy your \$15 Bughouse ticket (unless you prepaid online), and we will put your name on the Board with your rating, grade, and cell # (in case of subsequent confusion!). If you want a say in who your partner is, hang around! Once you find a partner, you both need to fill out and turn in a Bughouse Team Check-In Form and scratch your names off the Singles Board. At 6pm, TDs will match, as best they can, all remaining players on the Board with a partner based on rating (first) and grade (second). You'll make a new friend. It's Bughouse! And it'll be great fun!
